PURPOSE OF THIS BOOKLET

This booklet is a compilation of the various documents pertaining to the rules, regulations, resolutions, policies and general information concerning Quail Meadows West. These documents were formulated, based upon the Covenants, Conditions and Restrictions (CC&R's) for Quail Meadows West, the By-laws and the Rules & Regulations.

Should any conflict arise between these documents and the CC&R's, By-laws and Rules & Regulations the actual documents shall prevail.

This is being published by the Board of Directors of the Quail Meadows West Homeowner's Association for the benefit of the residents of the park.

We hope that it will be helpful to have this information organized and bound in a booklet for easy reference. As noted in the "Rules and Regulations," it is the responsibility of every resident to be informed and conform.

GENERAL INFORMATION

1. OPERATION:

The association's Board of Directors is elected annually in January and consists of five homeowners. These officers are Chairman, First Vice Chairman, Second Vice Chairman, Secretary and Treasurer/Finance Officer.

Associations meetings are conducted as needed, generally on a monthly basis. These meetings are conducted in the clubhouse. The Association's office is located in the clubhouse; however, there are no scheduled hours. The Association's officers can be contacted at their home by telephone. The front entrance to the clubhouse posts a list of officers and telephone numbers. Remember that all of the board members are volunteers.

2. MONTHLY ASSESSMENT

Each year the Board of Directors prepares a budget for the coming year. This budget determines the amount of each homeowner's monthly assessment.

3. INSURANCE COVERAGE

The association provides insurance coverage for the clubhouse and all common ground areas. Each owner must provide coverage for his or her own unit. This includes fire, liability and personal property etc.

4. UTILITIES AND SERVICES

As with the insurance coverage, only the common ground areas are provided for through the monthly assessments. Each homeowner is responsible for the utilities connected to their home as well as trash pick-up, landscaping and landscape maintenance.

5. SECURITY

Fencing surrounds the community with an electrically controlled gate at the entrance on College Drive. This gate is closed at six (6) PM and is opened at six (6) AM. When the gate is closed, entrance to the park may be gained with either a remote transmitter, which the treasurer can get for you with a \$25.00 deposit, or using the gate telephone pad. The clubhouse and pool areas are kept locked at all times for safety purposes. Keys may be obtained from the treasurer with a deposit of \$5.00 per key, limited to one key per adult resident.

6. SOCIAL ACTIVITIES

The Association's Social Club was established to provide functions for the enjoyment of all residents. Every resident is automatically a member of the Social Club and no dues are required. Information regarding the various functions conducted by the Social Club may be found on the bulletin board in the clubhouse and in the monthly news letter (Quail Meadows West Messenger).

GATE INSTRUCTIONS

The Security Gate is closed each day from 6:00 PM in the evening to 6:00 AM in the morning. Residents and guests may open the IN-Gate during these hours by using one of the following methods:

1. Residents may obtain a remote transmitter (similar to a garage door opener) for a \$25.00 deposit, which will open the gate from your car. This opener may be obtained from the HOA office located in the Clubhouse. Please call ahead to make arrangements 1-805-937-0024. You can also program the current entrance code into your vehicle if your vehicle permits.
2. Residents only may open the gate by using the Elika Access System as follows: Enter the current code into the number pad including the special symbol, when the gate opens, drive through.
3. Guests should only be allowed through the security gate in the following manner: {Note: this method requires that you have a Touch Tone phone in your home or a Cell Phone}.

Guests use the Elika Access System by searching your last name in the viewing window. Stop on the chosen name then press the arrow in between the up and down arrows or press the round call button. Either way prompts a call to the phone number for that resident. Once answered, the resident and guest can speak to each other. The Resident then presses 5 on their phone which opens the IN Gate and their guest enters.

* The access code is for the use of residents only and should be kept entirely confidential. It should never be given out to friends, guests or other visitors. This is for the safety of all residents.

** For new residents who do not have the access code, contact a Board member to obtain the current code.

- G. Determine the result of the election.
- H. Perform any acts as may be proper to conduct the election with fairness to all members in accordance with this section and all applicable rules of the association regarding the conduct of the election that are not in conflict with this section.

Any inspector of election shall perform his or her duties impartially, in good faith, to the best of his or her ability, and as expeditiously as is practical.

BALLOT PACKAGE: The statute requires us to vote using the double envelope secret mail balloting system, which is similar to the absentee balloting system for most public elections. We will use a modified system. According to Section 4, Article 9 of our by-laws, we have provided for absentee ballots.

A packet will be sent to each member at least 30 days prior to the member meeting which will include these four (4) items: a ballot, a proxy, an envelope for the ballot and another larger envelope for the member to return it all in. **Everyone should vote on his or her ballot prior to the meeting.**

1. The ballot would list all candidates for the board and any issues that qualified for the ballot ahead of time.
2. Smaller envelope for ballot. **PLEASE MARK YOUR BALLOT AND PLACE IT IN THIS ENVELOPE AND SEAL IT. THEN, PLACE THIS ENVELOPE INTO THE LARGER ENVELOPE ADDRESSED TO THE INSPECTOR OF ELECTION.**

**ONCE THE INSPECTOR OF ELECTIONS RECEIVES THE SECRET BALLOT,
IT SHALL BE IRREVOCABLE**

3. Enclosed will also be a proxy form for you to name a person to vote for you. The ballot envelope and the proxy form should be enclosed in the larger envelope. This will allow your designee to vote for you on any actions from the floor.
4. Larger envelope for member to insert the smaller envelope and the proxy form. **This will need to be marked with the members name, address, lot/unit number and a signature line. It will also be marked where to deliver it.** This large envelope can be delivered to the Inspector by 6P.M. the day before the meeting or you may bring it with you to the meeting.

BALLOT COUNTING: If there are no more than five (5) candidates for five (5) positions, the chairman of the present board can use the term 'Elected by acclamation' for the board candidates. The inspectors would then count the ballots for any issues listed.

The ballots shall be stored by the association in a secure place for no less than one year after date of election

ARCHITECTURAL STANDARDS

AC= Architectural Committee

Quail Meadows West is planned and landscaped to maintain the highest standards, thereby protecting your investment and insuring the maximum enjoyment of your home and the Park's facilities. In order to maintain these standards, it is necessary that all residents comply with the following rules and requirements.

Any requests for approval of changes to your yard or house exterior will require 7 to 30 days, depending on the extent of the change. **DO NOT START WORK UNTIL YOU HAVE APPROVAL.** The AC meets at 4 PM on the 1st Tuesday of each month to review requests.

RESIDENTS RESPONSIBILITIES

1. Lawns are to be watered, mowed and edged.
2. Keep weeds pulled.
3. Keep driveway free of rust and oil stains.
4. Keep fences painted where they are visible from the street.
5. Keep street gutters clean. If you have work done on your property, it is your responsibility to make sure that the street and gutters in the area are left clean. If the Association is required to clean up, you may be billed for it.
6. Christmas lights must be taken down by January 10th after Christmas.
7. Trash collection containers cannot be put out any earlier than the evening prior to the collection day and must be taken in by the evening of the collection day.

The AC has the right to send notices and ultimately fine the property owner for all of these infractions.

LANDSCAPING REQUIREMENTS

1. Driveways must be maintained in a neat and clean manner (no oil or rust spots) and lawns must be mowed regularly and maintained in a healthy, weed free condition.

Such sheds must be made of the same materials as the home, i.e. Masonite siding, wood fascia, matching composition roofing, and must be painted to match the home. Electrical outlets in these sheds must have a permit from the Santa Barbara County building department and be designed so as not to overload the house circuits.
